Dark Chocolate powder

'Dark Chocolate' claim

This high fat cocoa powder enables you to make a 'Dark Chocolate' claim and show **real pieces of chocolate** on pack

100% free from

dairy, lactose, allergen

Fat content

32%

Sensory profile

- Round chocolate flavour with caramel and milky notes
- Brown colour with red tones

Only 2% sugar

Three times less powder needed (vs chocolate) for an equivalent cocoa content delivering both a **sugar and cost reduction**

Applications

Thanks to its powder texture, it is particularly suited to drinks' applications, and ideal for dairy-free desserts, mousses, ice creams
