

AC STORM

The "AC STORM" is an extendible kitchen table. It has a minimalistic look that provides great functionality. This table is recommended for those who want to live in their living space in a handy, but informal way without worrying too much. "AC STORM" has one or two leaves stored internally. There are six different size options to choose from.

Top available in laminate and glass

Base available in inox (stainless), matte white, black, graphite or taupe
