

AC TAVOLETTO

The "AC TAVOLETTO" was born from a brilliant idea: the need to match two pieces of furniture with two completely different functions all in a unique piece. "AC TAVOLETTO" is a coffee and dining table that turns into a bed without losing its style. Adjusting from 105 cm wide when closed as a coffee table to 210 cm wide when open to a bed, the "AC TAVOLETTO" is very versatile. The height can be adjusted anywhere between 25 cm to 75 cm as a coffee table. It can only be controlled manually.

Top available in laminate, wood, open pore lacquer, and mortar look
X base available in inox (stainless), chrome, matte white, black, graphite, or taupe
