

MB MORGAN

MB MORGAN

The "MB MORGAN" is distinguished by its Art Deco design and for the high back, creating a modern bergere. The well-proportioned volumes combine classic and contemporary tastes. It features a seat in feather and high resilient polyurethane foam, feather backrest pillows and solid beech wood base in standard wenge finish or RAL color. "MB MORGAN" is available in three widths: 87.4", 81.9" and 70" and many contemporary or classic fabrics.
