# PL PETE

“PL PETE” is a modern and properly-designed sofa thanks to its light and refined chromed base. It is available in four different sizes and as a pouf. The main structure is made of multilayer and beech heartwood covered with graded polyurethane foams and combined with fine velvet. The seat and back cushions are made of graded polyurethane foam covered with white cotton. This sofa is fit for someone loving perfection and style and for a product combining modern design with traditional comfort. The fabric is completely removable and washable.
