

RD CARA LIGHT

“RD CARA LIGHT” has a new patented pull-out technology and a floating plate on a pedestal with smooth flowing transitions. A modern design classic. The braked roller mechanism enlarges the table and ensures an extraordinary stability. The soft lines give this table its special charm. Dimensions are available in length 63”/70.9”/78.7”/86.6”/94.5” Width 35.4”/ 39.4”. Folding extension length 15.7”/19.7”/21.7”/27.6”. Height 30”. Table length max 137.8”, with 2 folding extensions 21.7”. Table with fixed plate 1 or 2 folding extensions. The grain of the table is in the longitudinal direction.
